

WE WANT YOUR OPINION!!

REHABILITATION AND WELLNESS SERVICES FOR PEOPLE LIVING WITH HIV/HCV/STBBIs

Are you a person living with HIV/HCV/STBBIs?

Do you have something to say about rehabilitation and wellness services available at community-based HIV organizations?

We would love to hear about your experiences, preferences, and needs accessing these services and programs at community-based HIV/HCV/STBBI organizations.

<https://www.surveymonkey.com/r/rehabwellness>

This anonymous survey will help *Realize* develop educational resources and training tools for front-line service providers in community-based HIV/HCV/STBBI organizations to help them plan, and integrate rehabilitation and wellness programming into their support services
